# A better, "People-Centric" approach

### Strength

awareness and the ability to tap into our personal and collective strengths enables the business to realize its full "human potential"

### Transformation

creating the environment and culture where employees embrace and foster change

### Relationships

strong relationships foster trust which has a direct impact on the effectiveness of our communication & collaboration

### Joy

With joy, employee engagement grows, people thrive and productivity is unleashed

People find their "joy" and, JOY becomes a transformative force in the workplace

### Architecting a "Joy-Filled" Workplace

HAT WE DO

Orientation: Start at the top to discover, set expectations and gauge leadership's awareness of the unique strengths, relationships and transformative drivers within the context of the current work environment

2

#### **Create Awareness:**

Champion and extend awareness to the broader organization through individual assessments, group workshops and the creation of a common language of engagement 3

Equip for Success: Cocreate the action plan detailing daily "rhythms" and long-term initiatives that will drive individual and collective transformation then, brief in change agents and influencers

WHAT YOU GE

Outcome: Leadership assessment, alignment on engagement expectations, equipping for team awareness

Outcome: Extended team assessments and map; awareness & alignment workshops; establish a new language of "joy"

Outcome: Blueprint for Successful Change; Stakeholder briefing; 30-60-90 day check-in sessions

### Step 1: Orientation

Objective: Align on project scope, participants and outcomes. Build awareness of individual strengths, competencies and frustrations

#### How:

- A web-based assessment is administered to you
- A 90-min conversation with you to identify challenges, unpack assessment results, set expectations, identify participants and establish project timing

Who: You and the engageSRT team

Timing: Assessment: 20 min; Orientation Meeting: 90 min

Success Looks Like: You understand your individual strengths, competencies and frustrations. Agreement as to project participants, schedule and outcomes

### Step 2: Create Awareness

Objective: Build awareness and a language to tap into individual and collective strengths

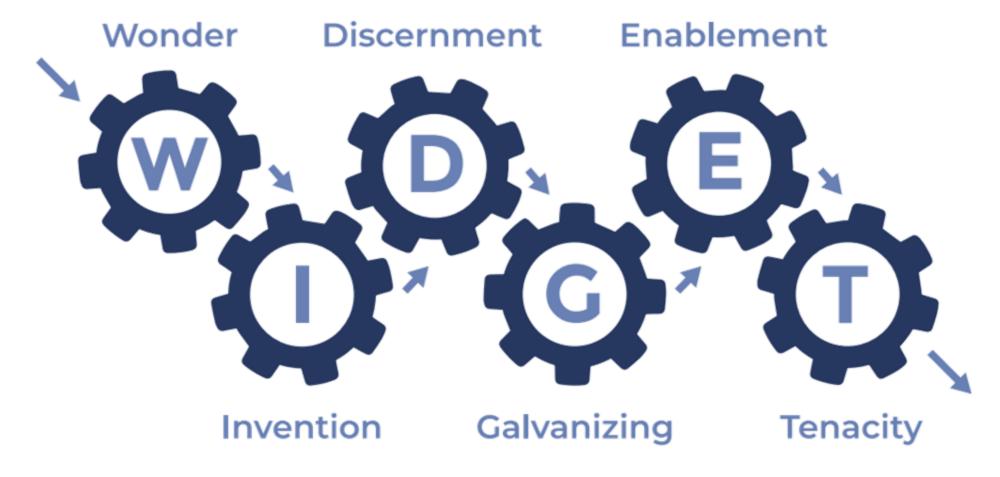

#### How:

- A web-based assessment is administered to you and your leadership team.
- EngageSRT analyzes results and conducts a half-day workshop to unpack individual and team results including its implications on specific challenge areas

Who: You and your leadership team

Timing: Assessment: 20 min; Analysis: 2-3 days; Workshop: ½ day

Success Looks Like: You and your leadership team understand your individual strengths, competencies and frustrations. You have a language to effect positive change across daily activity. You have preliminary recommendations for how this will address your challenges by improving engagement

### Step 3: Equip for Success

Objective: Activate your blueprint for improved engagement

#### How:

- EngageSRT conducts a half-day activation and coaching workshop with teams and individuals to walk-through specific "blueprint" scenarios and metrics of success with you and your team
- We set-up coaching check-ins for the next 30, 60 and 90 days

Who: You and your leadership team

Timing: Workshop: ½ day; ½ day Coaching Check-ins: 30, 60, 90 day

Success Looks Like: You and your leadership team activate a new language and practices for improved engagement. Performance measures are calibrated and in place to chart your progress.

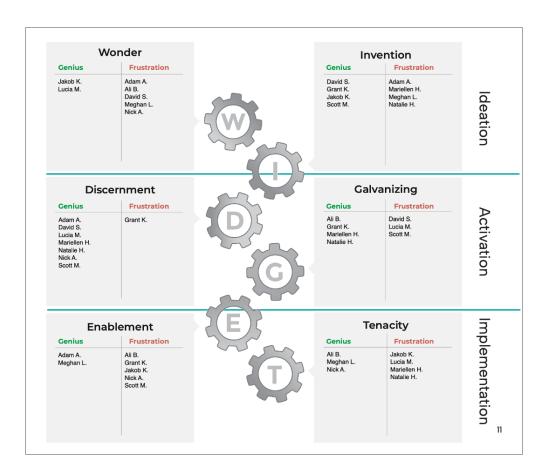

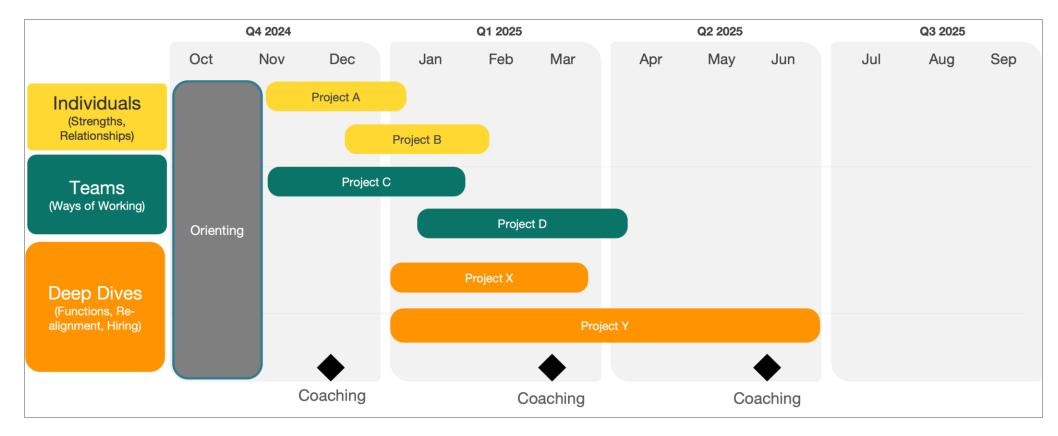

### Your blueprint for a Joy-Filled Workplace

#### "Blueprint" (aka playbook):

- Identification of individual and collective strengths
- An action plan and coaching as to the language of engagement and how to activate it in the workplace
- Performance metrics enabling visibility and tracking of progress to plan
- Deep dive applications for more productive meetings, alignment of strengths and hiring
- Periodic check points and coaching

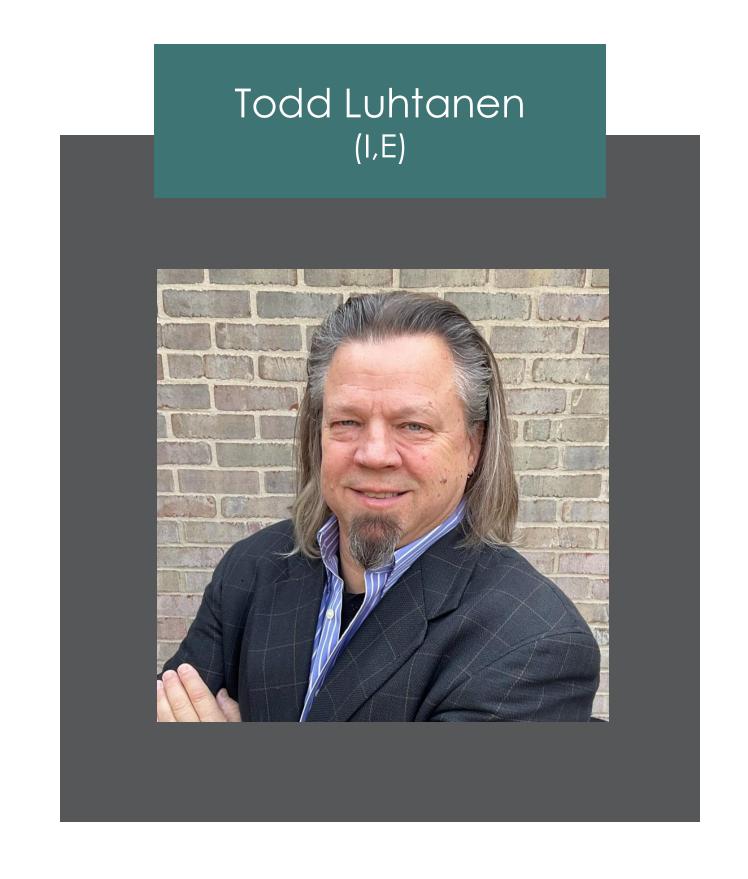

### It's time to start

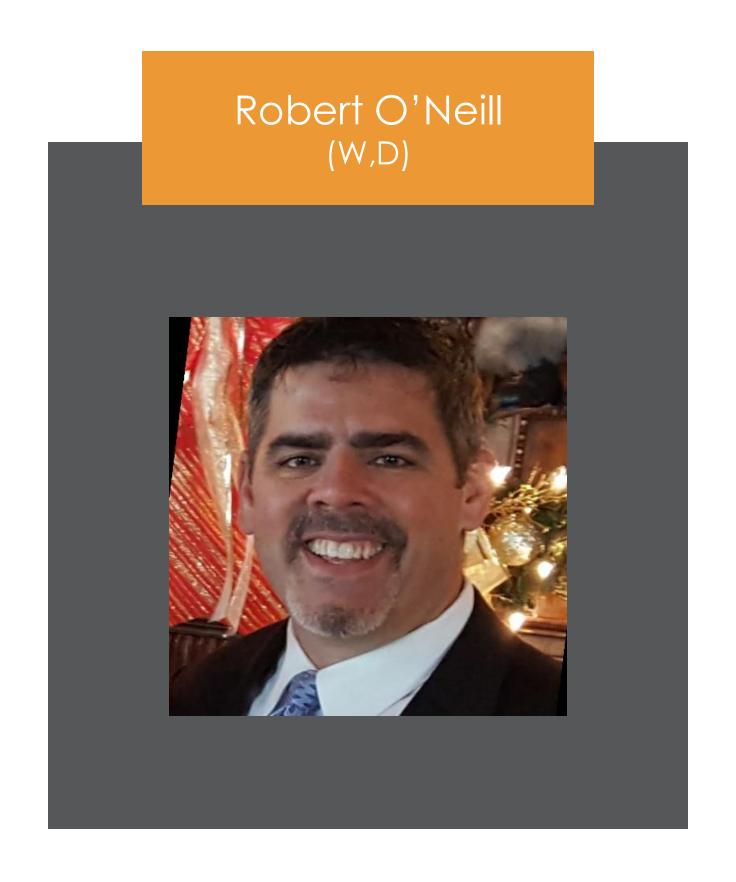

- Stop / reverse the effects of disengagement
- Know your people better
- Introduce "joy" as a transformational force
- We're here to help

# Why engageSRT

We bring a collective 100+ years of business and personal leadership

### Next Steps

- Sign up with engageSRT
- Schedule your leadership orientation session
- Identify who within the leadership team will serve as the agents of change or influencers for Awareness & Alignment Workshops
- Introduce the the program and block calendars

# Thank You

# Focus on Joy.

# Blueprint

# We Need a Better Approach

A "People First" Approach to Engagement

#### Strength

Awareness of individual strengths is the starting point to engaging the full "human potential" of a business.

#### Transformation

Fully engaged employees embrace and initiate transformational change that drives positive and sustainable growth.

#### Relationships

Strong relationships at all levels foster trust, open communication and collaboration which acts as the catalyst for motivation, engagement and productivity.

Joy is both a powerful motivator and transformational force for business. With joy, employee engagement grows, people thrive, and productivity is unleashed.

Strength. Relationships. Transformation.
